

MARRIED TWENTY WOMEN.

Famous Bigamist and Forger in the Hands of Gotham Police.

New York, Feb. 1.—Johann Hoch, who, it is alleged, married 20 women, was arrested at a boarding house conducted by Mrs. Catherine Kimmerle, in West Forty-seventh street by Central office detectives. He admitted his identity, although when first arrested gave the name of Henry Bartels.

At the Forty-seventh street station, where he was taken, he said:

"I'm Hoch, and a much abused man."

"How abused?" he was asked.

He had nothing to say. He gave his name as John Joseph Adolph Hoch, said he was 45 years old, a machinist by trade, living in Chicago. He is arrested on a charge of bigamy. Hoch is known under the names of Alfred Hecht, Albert Buetburg, Joseph Hoch, Jacob Hoch and Adolph Brumm.

OFFICERS KILL BAD NEGRO.

Latter Wounded Both Men While Resisting Arrest.

Wilmington, N. C., Feb. 1.—While resisting arrest at the home of his mother, at Council Station, on the Seaboard Air Line, Henry Lloyd, a desperate negro, was shot and killed by Policeman Croom, of Wilmington, and Deputy J. A. Meador, of Bladen county, last night.

The negro was wanted in Wilmington for shooting two young white men a week ago. He was located near Council Station, and the officers went to arrest him. They were compelled to force the door, and just as they entered the house Lloyd crept from under the bed and opened fire. Meador was shot in the arm and Croom in the leg. They returned the volley and the negro was struck three times, one ball penetrating the brain and causing instant death. The officers were exonerated by a coroner's jury.

SIX CONVICTS MAKE ESCAPE.

Prisoner Are Well Known to Officers Who Expect to Catch Them.

Atlanta, Feb. 1.—There was a bold and successful jail delivery at the city stockade early Monday morning and six white men made their escape. In the dead hours of night, when the guards thought all the convicts were asleep, six white men were at work removing a steel bar which stood between the man and liberty. About 1 o'clock at night they removed the bar and all six quietly jumped through the window to the ground, a distance of 3 or 4 feet, and slipped off into the woods.

The escape of the six prisoners was reported to the police and efforts are being made to capture them.

During the first six months of the present fiscal year the immigration from Russia was the heaviest in the history of the immigration bureau, aggregating 86,197, against 57,189 and 69,683 for the corresponding periods in 1902 and 1903. The total number of immigrants refused admittance during the past six months was 4,645. For the corresponding periods in the two previous years those debarred aggregated 3,333 and 4,011.

New York, Feb. 1.—Industrial dividends payable in February show a marked decrease, according to The Journal of Commerce as compared with the same month a year ago. The total stands about \$15,342,000 against \$19,364,000. There are a number of important changes this year. There are some other dividends to come not yet declared which will swell the total possibly to the extent of \$1,000,000. Some of these, however, may be carried into the following month.

Captain Hobson's Father Dead.

Birmingham, Ala., Feb. 1.—A special from Greensboro says that Judge James M. Hobson, father of Captain Richmond Pearson Hobson, died at that place this morning of pneumonia, aged 68. Judge Hobson was probate judge of Hale county for 18 years. Soon after his son's Merrimac feat, Judge Hobson, although a Democrat, was appointed by President McKinley as postmaster at Greensboro, which office he held until death. His wife died last year.

He Subsided.

Husband—Did you ever notice, my dear, that a loud talker is generally an ignorant person? Wife—Well, you needn't talk so loud. I'm not deaf.
